

TOOTHENA THE TOOTH FAIRY

*This spellbinding presentation is a magical prescription
for children's giggles, wiggles and healthy smiles!*

Since the beginning of time Toothena the Tooth Fairy has collected teeth and left coins under children's pillows. Although she is normally only seen in the enchanted moment between sleep and waking, she has decided to make herself visible to help stop the rise of tooth decay in children.

In character as Toothena, CoraMarie's interactive presentation helps children:

- ✦ Develop habits of good oral hygiene through a dramatization of brushing and flossing
- ✦ See *the magic* in all they do
- ✦ Learn the importance of giving and making a difference!

Children leave Toothena's presentation with a better understanding of the importance of good oral health – for both themselves and girls and boys around the world.

15% of all Toothena The Tooth Fairy profit will be donated to The Tooth Fairy Children's Foundation.

"Toothena the Tooth Fairy is a concept whose time has come. Invite my friend, CoraMarie, to deliver an extraordinary presentation for you!"

Mark Victor Hansen, Co-author of *Chicken Soup for the Soul* series.
